Report of Principal and School Improvement Council

This has been a year of accomplishment and adjustment. The 2007–2008 school year saw our school population reduced from 1,400 students and 150 staff members to 830 students and 100 staff members. The opening of our sister school, Carolina Springs Middle, brought much-needed relief and renewed opportunity. Gone are the 25 portable classrooms. The halls are less crowded. The reduction also improved other aspects of our infrastructure. For example, although traffic remains a challenge, it is much less of a nightmare.

We saw the reduction of this over-population stress produce successes in the area of citizenship, social responsibility, and behavior. Our data supports the fact that this year we reached a milestone in the areas of discipline and decorum. Our students, parents, and teachers are to be complimented for the great strides we made in improving our learning environment. This was reflected in all areas of school-related department. At a time when school cultures are making news for all the wrong reasons, it is particularly gratifying to be able to say we celebrated student success, diversity, order, and respect. Our students showed a real desire to be here and a commitment to learning and to one another. These lessons are fundamental to academic success.

There is no question that we will see some barriers and challenges in the future related to our community's inevitable growth and the district's budgetary constraints. It remains a challenge to meet our staffing and administrative personnel demands. We must emphasize faculty resources and faculty development. We must prepare intellectually, technologically, and emotionally to serve increasingly sophisticated and socially complex students. WKMS can never be satisfied with "keeping up." We must continue to lead and excel.

This year has clearly been good for our disposition. Virtually all members of our school family have noticed and remarked on the improved atmosphere, greater care, and joy that characterize daily interaction. Nothing could mean more to faculty and staff than to know and enjoy our students on a heightened, more individual and personal level.

The good old days are now! We have much to celebrate and much left to accomplish. Together, we can!

Dr. Nancy Turner, Principal
Debbie Davis, SIC Chair
