Percent of expenditures for instruction*	58.5%	Up from 55.0%	62.3%	64.4%
Percent of expenditures for teacher salaries*	47.0%	Down from 48.9%	54.0%	59.4%
% of AYP objectives met	61.5%		53.8%	69.0%

* Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	16	26	30
Percent satisfied with learning environment	75.0%	92.3%	100.0%
Percent satisfied with social and physical environment	93.8%	88.5%	90.0%
Percent satisfied with school-home relations	31.3%	80.8%	100.0%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Jane Edwards Community School continues its commitment to providing a climate where all students achieve at high academic levels and experience success in a positive setting. “Panthers Raising the Bar Toward Excellence” truly captures the spirit of the school. Students set goals for MAP, Academy of Math, Headsprout, and Study Island. Teachers do progress monitoring for students with identified weaknesses. Goals are set for these students, and teachers assess frequently to determine which standards students are mastering and which need additional instruction. Every effort is made to improve achievement in English Language Arts through Reading Recovery, Accelerated Reader, and the 6 Traits+1 writing program. Academic decisions are made based on this data. Our Teacher Coach has kept data in the forefront throughout the school year.

The community has become energized through the Neighborhood Planning Team facilitated by our Teacher Coach. This team had moved from understanding what a partial magnet school is to selecting the proposed school theme via surveys of students, faculty, staff, and the community-at-large. They have worked diligently for months to get the word out to the community and to solicit its support. Valuable resources are surfacing almost daily.

The strong volunteer program has continued to positively impact students. Many volunteers provide tutoring during the summer and in the after-school program. One volunteer enlightens the middle school science students on aspects of weather and aviation. Their culminating activity is an actual flight. Weekly goals are set for improvement of multiplication facts through the efforts of a volunteer working to improve math achievement. Volunteers were honored with an end-of-year reception.

Students are captivated by technology. Teachers have participated in professional development sessions to bring their skills up to par on new technology hardware, such as Smart Boards, Air Liners, Elmo, projection devices, and the software that accompanies each. Teachers are also afforded the opportunity to receive professional development that is relevant to district goals and objectives, as well as those opportunities that pertain to each teacher’s specific goals.

The devoted and talented faculty provides motivating and challenging instruction for children. The Coherent Curriculum created for each core content area provides a menu of instructional strategies and assessment options to help teachers meet the academic standards required by the South Carolina State Department of Education. These documents also provide pacing suggestions to ensure that teachers have provided students with the skills necessary to succeed on PACT.

It takes all of us working together to make a difference in your child’s education. Our doors are always open, and you are always welcome.

Susan Miles, Interim Principal
Rev. Morrison, SIC Chairman
