REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Charlestowne Academy was identified as a Showcase School for the 2006-2007 school year and has earned the Palmetto Gold Award every year for five consecutive years. Charlestowne Academy is unique in that it is the only public K-12 school in our state. Charlestowne Academy's high school has earned a reputation for academic distinction. An additional English teacher joined the high school team in August of 2007 and has made many contributions to the instructional program at CTA. The high school's continued success is directly related to a dedicated teaching staff, eighty percent of whom have remained at Charlestowne Academy for the past five years and have built a professional learning community that enjoys mutual respect and shares a common goal of continuous improvement.

An emphasis on strengthening the technology component this year has resulted 60% of our classrooms being equipped with Smartboards. All teachers have access to new LCD projectors, laptop computers, Elmos, and Aver Keys. An additional technology middle school staff will be added next year to assist our students in acquiring advanced computer competencies at an earlier age.

The middle school of CTA has experienced many challenges as a number of students from low-performing schools enrolled in Charlestowne Academy in 2007-2008 school year. Students who arrive during the middle school years have not had the benefit of the Spalding Reading Program embraced by Charlestowne Academy from kindergarten through the elementary grades. A mid-year intervention provided tutors for small groups of students with similar skill deficiencies, evidenced on assessments such as Measures of Academic Progress, Academy of Reading, and the Developmental Reading Assessment. Tutoring after school was also available during the school year. A Saturday Academy was provided in the fall of this year to address identified academic needs of students

Charlestowne Academy's elementary school has a reputation for producing accomplished readers who demonstrate a love of reading. Returning teachers and students in our elementary program affords stability and continuity. Unfortunately, our facilities can not accommodate the growing number of applicants. New innovative programs to enhance achievement will be implemented when adequate space is available.

These three levels make Charlestowne Academy ideal for infusing the Coherent Curriculum with entrepreneurship skills. Our Global Markets partnership, business partners from the community, parents, and teachers are all working together to lead our school in the direction of business and finance.
