REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Hannah-Pamplico Elementary Middle, grade-level teaming, vertical curriculum teaming, authentic learning, and Measures of Academic Progress skills focused on making each student successful. This was our third year of a technology initiative through which all classrooms at HPEM will be equipped with electronic whiteboards and surround-sound systems; every team will have document cameras, activslates and activates; and every middle school team will have activexpressions devices by the start of the 2008-2009 school year. We focused teacher staff development on literacy across the content areas, technology integration, standards-based assessments, and differentiated instruction.

One of our teachers was accepted into the coach program to serve HPEM as a math/science coach. All of our teachers have continued to grow, and several have attained advanced degrees. Six eighth graders were named South Carolina Junior Scholars, and twelve fourth and fifth graders were named Duke TIP Scholars. An eighth grader and a fifth grader won the Lt. Governor's Writing Award, and an eighth grader placed second in the regional spelling bee.

Our Academic team, athletic teams, and mock trial team all participated in regional competitions. All students participated in our fine arts program. Our elementary students passed 18,297 Accelerated Reader book tests. Our students raised over \$2700 for the Heart Association, and our eighth graders marched for the first time in new graduation gowns purchased for them by our Junior Beta Club.

Parents, grandparents, and community members actively participated in Grandparents' Day, Field Day, Month of the Young Adolescent activities, Pastries for Parents, Arts festival, PACT Workshops, Authors' Tea, etc. Our PTO was very active, and with the assistance of our School Improvement Council, has begun planning for next year. HPEM is a member of the School-Parent-Community Liaison and National Network of Partnership Schools through the Francis Marion University Center of Excellence. As always, we are proud of our school and the community it represents.
