Percent satisfied with social and physical environment	100.0%	96.6%	87.5%
Percent satisfied with school-home relations	72.7%	100.0%	87.5%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

School Year 2007-08 has brought opportunity of change for faculty, staff, parents and students. Focus on developing the culture of a learning community where everyone has a stake in the success of our students and school has been an emphasis with major emphasis on student achievement and success.

Student success in academics, arts and athletics has been at the forefront of our mission to develop self-confident learners. Students have been identified to participate in academic programs for assistance while others have had the opportunity to participate in an accelerated program through the SC Virtual School Program. Student results for meeting state standards and our goals for achievement are within the grasp of our young people.

Our faculty continues its efforts of Professional Growth with teachers participating in national and state level conferences. Five teachers are currently working to advance their degrees and hope to have their Master's Degree in Education by Spring 2009.

With the assistance from our School Improvement Council, we have reviewed data, school procedures and the goals which we believe we will accomplish. The SIC has been active in reviewing school progress, data, goals and participating in Parent Advisory meetings. The SIC worked to reestablish the Parent, Teacher, Student Advisory program. With much accomplished the SIC applied for the Dick and Tunkly Riley Award sponsored by the State SIC. While TSMHS did not receive the award, much ground work has been laid for future accomplishments.

We are very proud of the achievements of our students, faculty and staff. This year we were recognized as being "One of the Nations Best High Schools" by US News & World Report. We also achieved the status of having the 3rd Highest SAT average for high schools in the state. We look forward to continued success of our students as we prepare them for the global world of career opportunities.

Steve M.R. Moore, Principal

Our School Improvement Council serves as an advisory committee to Mr. Moore and the faculty. Our focus is to bring together parents and community members to collaborate on the academic and social development of all students. I would like to thank our current council. We have worked hard this year meeting on a monthly basis and discussing important issues that we need to face. We encourage parents to become involved. Everyone has something to contribute.

Kym Alexander, Chairperson
The School Improvement Council
