## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year has been a year of achievement for our school. It is the mission of R.C. Edwards Middle School to "promote high standards of academic achievement, personal achievement, and career development in a safe environment," and we have accomplished this through a myriad of opportunities.

Our sixth, seventh, and eighth graders have had numerous opportunities to showcase their talents in academics, athletics, and the arts. Our Algebra class average end-of-course exam score was 97.75% and the English 1 end-of-course average was 96.2%. Math Counts teams placed first in the Region. Three of our students placed in the regional science fair. Lakes and Mountains School for the Arts accepted 38 of our students to participate in their program, and three of our students qualified for the All-State Band. Thirty-eight students were named Jr. Scholars and ten students were awarded Duke Tip with one of them qualifying as a Grand Winner. Our chess club was state champion this year as well.

Some exemplary programs at Edwards include Panther Pride, Student of the Month, and Breakfast of Champions. The Panther Pride honors students who have modeled noteworthy character traits, the Student of the Month program identifies students who have excelled in the classroom, and the Breakfast of Champions rewards students who have not incurred disciplinary action. Students also receive recognition for growth in their MAP scores. The MAP test is a standardized test that shows student growth. It also shows areas of strengths and weaknesses providing valuable information about students' progress throughout the year so that teachers can meet student needs more effectively. Promethean boards and LCD projectors have been purchased to continue to promote high academic achievement, integrating technology in the classroom.

In an effort to invest in the surrounding community, Edwards contributes to many outreach programs. Students and faculty make donations and participate in fundraisers for local charities such as Helping Hands, United Way, and Hoops for Heart along with many other program opportunities.

R.C. Edwards Middle School is the learning environment for students with the help and support of parents, volunteers, the school improvement council, teachers, and staff. Our PTSO, a parent-teacher-student organization, has worked towards increasing the number of volunteers within our school. This effort has been accomplished as our school has enjoyed the benefits of this undertaking. The PTSO and volunteers have worked to beautify the grounds and support our teachers and students. We hope that this program will continue to grow and flourish in the coming year.
