Report of Principal and School Improvement Council

Aiken Elementary is a school of national (Blue Ribbon School) and state (Carolina First Palmetto's Finest) distinction that fosters a positive learning environment for all students.

Our students again exceeded the District and State 2008 PACT results for all areas tested and met the National NCLB standards for AYP (annual yearly progress). Our Report Card absolute rating remained at good having dropped from excellent in 2006.

Our number one goal is to ensure that each child is prepared academically for the 21st Century. We strive to move each and every student to higher levels of learning. With the use of the Northwest Evaluation Association's Measures of Academic Progress (MAP) testing program, we studied the strengths and weaknesses of each child. Teachers used the data to form targeted teaching groups within their classrooms. Use of this data driven decision making played a role in teacher curriculum planning. Our emphasis for 2009-2010 will be to seek ways to close achievement differences between the varieties of student groups.

Our faculty, PTA Board and School Improvement Council (SIC) worked diligently on our new five year strategic plan making sure it was aligned with district goals and focused on the goals needed for our school/students.

A few highlights of our year are as follows:

Ms. Sheldon, preschool teacher, received the Bravo award from the SC Autism Society Parent-School Partnership. Mrs. Nelson, media specialist, received the "Ivy Inspiration" award. Mrs. Eberhard, 4th grade teacher, was selected to attend the Science P.L.U.S. Institute. Knowledge Masters Team scored 2nd in the state. In the CSRA Science & Engineering Fair, a 4th grade student received 3rd place for Best in Show; a 3rd grader received 3rd place in chemistry division. A 5th grade student was a regional winner in the MESAS statewide contest. The 3rd-5th grade was awarded the 2008 Safety Poster Contest's most participation award. Aiken Elementary received an award for most participation in the Kids Love Art Show sponsored by Aiken County Helpline. A kindergarten student won first place and a 1st grade student won 2nd place. Our landscaping project was completed thanks to a donation by Wal-Mart and various community business and volunteers. Twenty-nine teachers received SRNS grants totaling \$15,500. Other grants received totaled \$3,950.

The commitment of all stakeholders in the Aiken Elementary community has assisted in our student achievement being considerably higher than district and state averages. Aiken Elementary will continue to deliver award-winning programs and a world class curriculum that allows all students to build the foundation needed to enable them to become successful life long achievers. Thank you for your support and sharing the responsibility of the success of our students, school and community.
