Report of Principal and School Improvement Council

There were many enriching activities that took place during the 2008-2009 school year for our students. We worked hard to provide an atmosphere conducive to learning and that was enjoyable to our students. The faculty and staff at Denmark-Olar Elementary School are committed to continuously improving student achievement and increasing academic excellence in all areas. We truly believe each child can achieve. We have completed our second year with our new curriculum, which further increased the level of classroom instruction. We continued implementation of PBIS (Positive Behavior Interventions and Support), and have seen a tremendous reduction in office referrals, which has increased instructional time and has enhanced student achievement.

With the assistance of Mrs. Liller Hamilton, chairperson of the School Improvement Council, and Mrs. Gloris Robertson, PTO president, we continue to encourage parents and the community to aid us in meeting the challenge of educating the whole child. Additionally, in celebration of exceptional staff leadership, Mrs. Bettie Caldwell was elected Teacher of the Year for our school and went on to become District School Teacher of the year and Mrs. Evelyn Dowling was voted Staff Person of the Year.

At Denmark-Olar Elementary School, our philosophy is that all children can and will learn to their fullest potential. We are preparing our students to become productive citizens of a global society. As principal of Denmark-Olar Elementary School, I feel that we have had a very successful school year and look forward to working with our parents during the upcoming school year.
