Report of Principal and School Improvement Council

W. E. Parker Elementary is committed to continuous improvement. From the first day of the school year through the last day, students are challenged to do their personal best in academics, in relationships with peers and staff, in their physical development, and in their social growth. Respect for self, others, property, and learning is taught and modeled daily.

After analyzing MAP, PASS, and AYP data, our focus for the year became math. In keeping with our theme, "Together Everyone Achieves More," TEAM TIME/Math Academy was begun. Teachers worked two days during the summer to develop rich, challenging lessons for each of the math strands. Throughout the year, students were assigned to focus groups based on their math, MAP RIT bands. Our data room, The Locker Room, was created and teachers met there weekly to review MAP and PACT data and to discuss student achievement. Teachers also received training in the use of Thinking Maps, and all teachers fully implemented them into their teaching.

There were again many opportunities for family and community involvement, including family nights, choral and dramatic performances, book fairs, birthday/student of the month lunches, Real Men Read, Muffins for Moms, Do-nuts for Dads, Grandparents' Day, Thanksgiving Lunch, PTO, SIC, field trips, volunteering, field day, parent conferences, and classroom visits. Our PTO received a \$5000 Lowes' Grant to improve an outside courtyard area and to make it another instructional venue for our students.

Science continued to be a focus throughout the year. Our science coach worked with teachers modeling lessons and assisting them with labs. She also provided monthly staff development for the teachers with the focus being on formative assessment. As a result of our coach's efforts, our science scores increased on PACT. We are happy that our science coach will be able to cross-train as a math coach next year. We look forward to her coaching our teachers, as we accept the challenge of implementing Math out of the Box in our school.

Our students continue to excel in the arts, performing beautifully in "The Nutcracker" and "The Jungle Book." Our Quest Students were recognized as the WJBF Channel Six Elementary Division Winner in "Giving Your Best Commercial" and will be featured throughout the year on this television station. Students participated in a number of service learning projects, including the United Way, the Johnston Food Bank Drive, Math-a-Thon, and Relay for Life. Our students and faculty contributed over \$8,000 to Relay for Life and over \$3,000 to St. Jude's.

As we look ahead to the 2009-2010 school year, we will remain committed to providing a family-friendly environment that fosters respectfulness, responsibility, and readiness to learn. Together as a "TEAM," we will make a difference!
