Report of Principal and School Improvement Council

At FMES, our children continue to excel in academics and personal development. One method for measuring academic progress is through State-directed testing. 2008-09 is the last year for the Palmetto Achievement Challenge Test (PACT) results and the first for Palmetto Assessment of State Standards (PASS). Below are the '08 PACT results, with results from '07 year shown in parentheses. 3rd Grade continues to meet state standards: Math = 89.1% (93.6% in '07), English/Language Arts (ELA) = 94.6% (98%); Science = 87.5% (84.7%); and Social Studies = 91.8% (94.5%). 4th Grade shows significant improvement in science: Math = 98.1% (87.1% in '07); ELA = 97.2% (94.9%); Science = 92.9% (69.4%); and Social Studies = 94.7% (85.1%). 5th Grade has challenges in math and science: Math = 88.5% (94.4% in '07); ELA = 89.2% (93.2%); Science = 75.0% (81.7%); and Social Studies = 86.6% (83.3%).

In addition to receiving good PACT results, FMES received the State's "Closing the Gap" Award during the 2007/2008 school year. We continued with enrichment programs—Thinking Maps, Best Practices in Reading, and our Math Lab. We expanded the bank of enrichment lessons for higher performing students in grades K-2. We implemented the FASTT Math program in all grades. Every 2nd Grader now has the opportunity to participate in the "Sunrise Reader Book Club," where they read to an older "buddy." Every 1st Grader now has the opportunity to participate in the "Backpack Readers Club" that encourages students to read the classics. We hosted a 3rd grade "Math Night" so parents could better prepare children for upcoming testing. We conducted our first annual S.P.Y. (Science Promoted for Youth) Day, which included a full day of students and teachers working with engineers from General Dynamics on experiments using lasers, infrared cameras, sensors, and other high-tech devices. Our students also experienced several unique learning experiences outside the classroom during field trips to local places such as Biz Town (sponsored by Junior Achievement), Brattonsville, Daniel Stowe Botanical Gardens, and Patchwork Tales.

As we have for many years, FMES continues to be very active in the community. Our students participated in many charitable events—raising funds for the Fort Mill Care Center, Humane Society, American Heart Association, and others. We funded scholarships for the Barrier Island field trips for 4th and 5th graders that provide critical hands-on education related to our coastal environment. We expanded our "Reading Partner Program" that has community volunteers read to students and help them improve their skills. Our PTO continues to be the cornerstone for our school and their contributions of time and energy seem to be limitless. FMES PTO sponsored 2 book fairs; hosted a family sock-hop dance attended by nearly 500 people; led a very successful Fall Festival; conducted regular social events at local restaurants and book store, and a list far too extensive to list here. A special thank you goes out to our PTO!

In 2008, we were challenged with space limitations, budget cuts, staff reductions, rezoning, and other significant issues. We worked through them with a focus on education and a positive, enthusiastic attitude. We thank the administrators, faculty, staff, parents, and local community for your outstanding and tireless service this past year.

Jerry Snyder, School Improvement Council Chair

No Child Left Behind

School Adequate Yearly Progress

YES

This school met 21 out of 21 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status

School Improvement Key

NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
