SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Belvedere Elementary School is a neighborhood school that has strong parental support. Our students are heterogenously grouped from five year old kindergarten through fifth grade. Our poverty index is measured by the percentage of free and reduced lunches, and we do qualify as a Title I school.

Belvedere Elementary students performed well on the PACT test in May 2008. They scored well enough to make AYP for the fourth Year in a row, and we earned the Palmetto Silver Award for closing the achievement gap. The additional emphasis in math, reading, and science, with daily testing in the CAI Lab, has proven to be to be very helpful in the academic progress we have accomplished. Student access to a science lab has given each child the opportunity to have hands on experiences with science lessons and projects. Success in our science initiative is evident as our fifth grade students have scored approximately 20 points higher than the district and state averages.

The Belvedere PTO and the Belvedere School Improvement Council have contributed a great deal of time and effort to enhance the technological and physical comforts of our building and campus. We have used our resources wisely to make a quality education available to the students in our community.
