REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year has been a rewarding one for the C.C. Blaney school community. We approached the year with a renewed focus on academic achievement. With the specific goal of advancing students to the next level of success, we implemented school-wide systems that promote rigor, relevance and growth. Data from assessment tools like DIBELS and MAP allowed teachers to inform their instructional practices to meet the strengths and needs of their learners.

Blaney teachers continue to grow professionally to refine their teaching practices. The faculty participates in weekly Teacher Curriculum Team meetings, monthly faculty meetings and professional development sessions. Implementation of the Coherent Curriculum, actively engaged students, rigorous and relevant lessons and differentiated strategies serve as the frame for which we build our success. The school has been recognized for five consecutive years for meeting the federal requirements of Adequate Yearly Progress (AYP).

Reducing class size and establishing a progressive school wide discipline plan (SPORT) has supported our focus on academic achievement. We have also instituted various incentives to promote a focus on teaching and learning. The 25 Book Campaign, MAP Olympics recognizing double-digit gains and a Monthly Character Education Award encourages our boys and girls to strive for excellence. There is a monthly school wide writing exercise and daily targeted assistance provided to students by certified support personnel. We have created a program that is designed to sustain a high level performance excellence.

Our students participate in school-wide Book of the Month units, instructional field trips and computer assisted instructional programs. We have a home literacy program and artist in residence activities that integrate social studies and storytelling.

We engage our families and school community in the education process every chance we get! An annual Meet the Teacher/Open House night, quarterly parent newsletters, weekly preview sheets, PTA meetings, Family Math Night and the 1st annual Reading Celebration all contribute to building strong partnerships. We look forward to establishing new alliances with business partners and volunteers.

At C.C. Blaney Elementary, we believe that it is our charge to help students grow, improve and progress from one year to the next. We will continue to focus on providing a safe and caring learning environment where academic excellence is expected.
