SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with school-home relations	100.0%	97.5%	86.1%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our school, Harbor View Elementary, continues to strive for excellence in academics, citizenship and educational opportunities for all of our students. Academic expectations remain high and help with the success of Harbor View's rigorous curriculum and great test scores. Harbor View is dedicated to encouraging students to become not only excellent students but also productive citizens. Student's helping others and contributing to the community is an integral part of education. Our emphasis on educational opportunities for our students is reflected in student learning outside the traditional classroom environment, on field trips, Math/Science night, Raise-a-Reader and our talent show, as well as theatrical and chorus experience for older students.

In 2009, Harbor View was again awarded the Palmetto Gold award for seven out of the past eight years and received an Excellent absolute rating on the state report card. Harbor View met all 17 of the adequate yearly progress objectives based upon student performance, participation of students and student attendance rate. We are proud of the dedication of Harbor View's faculty and staff to achieve excellence in all areas. Our accomplishments are in large part due to the high level of support received from our parents, extended family, community, and business partners. Our PTA and family volunteers provide endless support to Harbor View. PTA's fund raisers have been very successful and have helped provide necessary materials and equipment to enhance educational opportunities at our school. The new technological plan developed by the county will provide the school with 30 new Dell computers for our computer lab and Smart Boards for the classrooms. Harbor View's active School Improvement Council encourages a focus on academic improvement with the goal of bringing more students to the highest level on PASS tests.

We will continue to strive to provide our students with access to the latest technological advances. All of our classes have internet access, which is very helpful to the teacher as well as students. Students are encouraged to read and take tests with our Accelerated Reader Program. Results from the new PASS tests and DIEBELS testing assist us in differentiating instruction to meet the needs of each individual student.

Harbor View will always continue to strive for excellence, we challenge our students every day to dedicate themselves to becoming "the very best me I can be!"
