SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This narrative has been prepared to share some of the many goals and achievements made possible through the powerful synergy of the teachers, parents, students, and community members of the Sullivan's Island Elementary School Family. Together, we continue to work diligently toward a single vision: To create a community of learning that inspires students to reach their full potential.

I am pleased to report that for the 2007/2008 School Year our school received an Excellent-Excellent rating on the school report card. Not only did we significantly outperform elementary schools statewide, but we also outperformed schools like ours in all 4 areas of the PACT test. Additionally, students made significant gains on Measures in Academic Progress (MAP). Fourth grade teacher, Judith Callan was honored with 16 other CCSD teachers as a Platinum Top Achieving Teacher for MAP. With such outstanding teacher leadership and continuing faculty professional development in differentiated instruction, technology, and students' social emotional needs, Sullivan's Island Elementary remains on a steady track of both improvement and excellence.

Other accolades received this year have included being named a School Improvement Riley Honor School. Thanks to our Wellness, Technology and Spanish Committee initiatives, the SIES School Improvement Council was recognized as one of the top 16 SICs (Riley Award) in the State of South Carolina. The Spanish Language program is now in its 5th year and has just expanded to include all grade levels. The School Improvement Council also worked with the Teacher Leadership team to prioritize spending efforts to insure that Smartboards and Airliner Slates (handheld Smartboards) are available in all classrooms. Our school foundation, Friends of Sullivan's Island School, and School PTA worked together raising over \$100,000 to supplement funding for technology, music, art and Spanish instructors, as well as, instructional supplies, cultural performances, and library and technological improvements.

The Parent Teacher Association (PTA) and office staff collaborated to continue our "green" efforts by switching from paper versions of office communications to an electronic newsletter, email news blasts, and parentlink phone messages. Our Student Council Association also championed a school-wide recycling program, as well as, a clothing and school supply drive supporting Mary Ford Elementary School.

These are just a few of the highlights of the past school year. Thank you for your continued support of both our school and of public education. Without you, the community, we would not have been able to accomplish the achievements that we have.
