REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ashley River Creative Arts is proud of our many accomplishments during this school year. We were recognized as a Palmetto Gold School (PACT score gains) with an award of \$4,739. This award will be used to purchase materials and supplies to enhance learning in the classroom. We met 21 out of 21 objectives for AYP (Adequate Yearly Progress). We were recognized as an Art in the Basic Curriculum School by the South Carolina Arts Commission. This grant, funded in conjunction with PTA, provided four artists in residence programs in addition to our year long ballet program residency with Lola McDonald. Laura Rich, African drummer, worked with second graders and Becky Becker puppeteer, worked with third grade. Fourth graders worked with Janet Kozachek, mixed media artist. Fifth grade worked with Orisirisi, African drumming and dance. We were honored to have been awarded a Distinguished Arts Grant from the SC Department of Education for the third year. This grant funded additional dance time and art materials for teachers to use with curriculum units.

Reading and math continue to be a school-wide focus. We used many techniques to inspire young readers. Parent and community volunteers, book clubs, Walk to Read, and many small groups of students worked hard to meet the challenge of accelerated math and reading throughout the year.

Our arts integration curriculum is a whole school initiative. Our performing groups have traveled around the county to perform for civic groups and educational organizations. Our chorus is rehearsing for their big Disney performance in the spring of 2010. We hosted visiting educators from around the country. They observed in classrooms and reviewed our arts curriculum.

School Community Council and our endowment committee joined together for our "Paving the Future" brick campaign. Our goal is to pave the front walk and flag area of the new school. We are thrilled with the response from parents and alumni. It is a wonderful way to leave a legacy to our school.

The new building has developed before us day by day. We've all relished the opportunity to see walls, windows and bricks put in place. During the loss of power and phones and the shaking of the ground, we recovered quickly by peering outside. We can't wait to move in and be afforded all the luxuries of living in the 21st century.

Ashley River is proud of our success, and we appreciate the support we receive from our community and parents who are vital to our success. Our business partners offer immeasurable support. Our parents are true partners working hand and hand with us by volunteering, organizing events, attending conferences, and ensuring homework and projects were completed. Our mission statement emphasizes the importance of harmony and cooperation between school and home; Ashley River Creative Arts, in partnership with families and community, integrates the arts to provide students a strong academic curriculum.
