REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-2009 school year at B. D. Lee Elementary was focused on improving student test scores, character development, and increasing parent involvement through family literacy and parent workshops. In an effort to achieve these goals, emphasis was placed on student reading strategies across the curriculum, small grouping, effective writing strategies with Writer's Workshop, and incorporating character traits and family literacy programs. Reading Recovery has been implemented to serve as one-on-one intervention and our Reading Interventionist serves as small group intervention. Assessment with MAPS and Dominie has been used throughout the school year to monitor student's growth and provide differentiation of instruction to increase student achievement.

We are very fortunate to have a full-time literacy coach to provide collaboration among our teachers. Our literacy coach assists with implementation of effective research based teaching strategies, small group instruction, Writer's Workshop, and assist with alignment of standards throughout the curriculum.

This year our school has received two grants. Our school received an SCIRA grant to publish a school newspaper and a landscaping beautification grant from Lowes. One of our teachers, Cindy Byars was awarded an EIA grant for Science. We have a staff of two teachers and one guidance counselor who are National Board Certified: Karen Henderson, Cindy Byars, and Gayla Millwood. Helen Holmes was selected as Teacher of the Year for our school and Treasa Bagwell was selected as Distinguished Reading Teacher of the Year.

B. D. Lee has been recognized for receiving the South Carolina Red Carpet Award in recognition of its family-friendly atmosphere and B. D. Lee has been recognized for receiving Exemplary Writing in recognition of its outstanding student writing program.

Our students participated in educational field trips such as USC Upstate Science Fair, Book-It Family Literacy incentive program, and Limo's for Learning incentive program. Our business partner "Nestle" provided a school community partnership with The Link's Organization on nutrition. This program provided valuable experiences and raised awareness on obesity. The Boys & Girl Club has provided youth development and core programs such as Character and Leadership Development, Education and Career Development, Health and Life Skills, The Arts, Sports, Fitness and Recreation.

The School Improvement Council, PTO, teachers, students, parents, and our business partners have worked hard to make this a successful school year. Our SIC and PTO has taken on several beautification projects to make our school attractive, student-centered, and friendly. We are very thankful for the commitment and dedication of our PTO, teachers, students, and community members.
