SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent of expenditures for teacher salaries**	58.4%	Down from 58.6%	62.3%	63.2%
% of AYP objectives met	88.9%	Up from 52.0%	100.0%	100.0%

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	30	100	79
Percent satisfied with learning environment	100.0%	92.9%	84.2%
Percent satisfied with social and physical environment	100.0%	91.8%	89.6%
Percent satisfied with school-home relations	90.0%	86.0%	86.8%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Pageland Elementary School is a rural Title I school that serves 405 students in grades three through five. Our staff is committed to the highest standards of student achievement. With our dedication to the improvement of instruction through ongoing professional development, the staff strives to provide quality instruction to our students by participating in a variety of professional development opportunities. We have a full-time Math Coach, Literacy Coach, and a Curriculum Coordinator to provide support for all content areas. Many opportunities to extend and enhance learning are provided for students at Pageland Elementary. Before and after-school tutoring, after-school math and language arts instruction, in-school math grouping, and mentoring programs are all available to serve our children. Pageland Elementary is a model technology school. We were the first school in the district to install interactive Smart Boards in every classroom. Since that time, we have continued to upgrade efforts in technology. The school also has two Compass computer labs. The staff is constantly being trained on new strategies and techniques for integrating technology into the curriculum.

Art, music, physical education, and the media center are integrated into the curriculum on a daily basis. All teachers collaborate to plan instructionally sound and engaging lessons for all children. Character education is a part of every student's day. Key character words are explained and discussed daily as part of the morning announcements. We use data to make all of our instructional decisions. Data is gathered using MAP, Dominie Reading assessment, STAR reading assessment, and teacher-made assessments.

Parental support is strong at Pageland Elementary. The school won the district volunteer award for the second time in three years by logging 12,000 volunteer hours. The PTO raised funds to purchase a storage building to hold recess equipment and the School Improvement Council continues to support and monitor innovations and improvements. Monthly Parent Academies are scheduled to assist parents with strategies to help their children in all academic and social areas. We provide bi-weekly Saturday Library and Computer Lab to promote "families learning together." It takes all of us, teachers, parents, students, and community, working together to make Pageland Elementary a wonderful place to learn and grow and to create success beyond the classroom.

Angela Baker, SIC Chairperson
Jim Heffner, Principal
