REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Dewey L. Carter Elementary students, teachers, and administrators are working diligently to strive for the best. We are very proud of our improvements which are a result of our focus on targeted, specific instructional goals.

Dewey L. Carter Elementary has been identified for improvement because AYP (Adequate Yearly Progress) was not met in Math by all students, students receiving free or reduced lunch, or African American students. The school has many programs, curriculum focuses, and instructional strategies that have been implemented to sustain our improvement. Some of the programs the school offered this year were Reading Recovery, Reading Renaissance, Compass Learning, RIT Band Focus Groups, and Early Intervention Strategies. This year, the school had a Math and Science Coach to assist teachers in instruction. MAP testing assisted in guiding instruction by providing information in mastered and non-mastered skills. The Extended Day Program was offered after school three days each week to students scoring Below Basic on Math/ELA PACT. Focus Groups provided students with hands-on learning addressing SC State Standards. Our teachers and administrators also participated in numerous professional development activities. Dewey L. Carter continued with its Terrific Kids Program through the Golden Kiwanis and the DLC APT. The school offered clubs after school, various school-wide programs throughout the year, and many opportunities for parents to volunteer.
