REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brown's Ferry Elementary School is a neighborhood school located in the Brown's Ferry Community of Georgetown, SC. Brown's Ferry Elementary truly has a special school environment as the result of home, school, and community working in harmony.

Our mission is to prepare and challenge our students to succeed as independent learners in today's society. To assist our students with academic needs, we utilize the Response to Intervention (Rtl) program to support needs in reading. Additionally, we focus on the Balanced Literacy approach at all grade levels to support the reading and writing skill development of each student. We continue to enrich instruction by participating in staff development activities that facilitate improved student achievement. Teachers use a variety of resources and data to identify individual student's strengths and weaknesses to drive their instructional practices.

Opportunities for student growth and development are provided through the various disciplines as well. Students participate in art contests, musical events, Jump Rope for Heart, and the Accelerated Reader program. Students are recognized for their efforts, positive behavior, and academic excellence. To add to that, Brown's Ferry Elementary School was recognized as a Silver level Team Nutrition School in the HealthierUS School Challenge.

The involvement of our P.T.O. and S.I.C are instrumental in accomplishing the school's goals. They provide classroom resources and student/teacher incentives as well as support to school activities and events.

We are very proud of our school and the bright, cheerful environment that stimulates learning. It is a credit to the students, parents, and staff who work diligently to make each student successful. With home, school, and community working together in harmony, great things will continue to happen for students in our school.
