REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Eastside Elementary School, children and learning are the top priorities. The philosophy of the school is to make decisions that are in the best interest of students and to do those things that are important for students. One of our goals was to develop a sense of community for our students, parents, and teachers. The school climate is inviting and conducive to learning. We believe that the education of a child is a partnership between the home and the school. We encourage parents to be active participants at school.

This year the school served approximately 517 students in kindergarten-fifth grade. The school has a diverse population of students. Forty-nine students were in self-contained classes for the gifted. Fourteen students were in a self-contained class for students with special needs and approximately 24 students received resource assistance. Seventy eight percent of our students ate free/reduced lunch.

Eastside Elementary School is fully accredited by the Southern Association of Colleges and Schools and received an "All-Clear" status from the State Department of Education. Eastside received a "Below Average" rating on the state report card. Parents, students, and teachers continue to give the school positive ratings on surveys.

The school continued with the Reading First initiative and was awarded another year of the program. Teachers participated in study groups and continued to learn the most effective strategies for teaching reading. Assessment results were used to plan instruction. All classes participated in the school's character education program.

Eastside Elementary is a student-centered school with strong parental support. Providing quality instruction in a safe learning environment is our goal. By working together, we can insure the success of our students. We invite you to visit our school to see our students and teachers in action.
