REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In August of 2008, the new Fairforest Elementary opened its doors to an eager group of students, parents, and teachers. We are grateful to the School District Six Board of Trustees, the District Administration, and the community at large for their continued efforts to provide our students with a quality education within a top-notch facility.

Fairforest Elementary School's mission is to prepare our students for lifelong learning through a challenging curriculum with open communication in a safe, respectful environment. In the 2008-2009 school year, we continued to see a rise in student enrollment, a rise in the percentage of students who receive free or reduced lunch, and a rise in the number of students who speak English as a second language.

It is the diversity of our student population that shapes the instructional practices of our school. Many of our teachers utilize an integrated approach in which science and social studies are just as important as reading and math. Through an integrated approach, our students are able to see the relationships between subjects and are able to better understand complex concepts.

The outstanding faculty and staff at Fairforest Elementary school understand that the academic success of our students is largely dependent upon them. As such, they worked tirelessly to provide a challenging instructional program which was driven by the South Carolina Curriculum Standards and our school and district improvement plans. Throughout the year, teachers received comprehensive professional development at both the state and local level designed to help them improve in their craft. Additionally, a number of teachers continued to work toward earning advanced degrees and additional certification areas.

Our faculty and staff realize that the high levels to which we strive can only be achieved with your help, support, and involvement. In 2008-2009, our school was blessed by numerous volunteers, outstanding parents, community organizations, and business partners, all of whom are committed to helping us create a safe, nurturing, and inviting learning atmosphere for our students. These dedicated stakeholders have enriched our school atmosphere and enabled us to meet needs that otherwise would not have been met.

Fairforest Elementary School students worked hard to become well-rounded individuals by focusing on academics and the arts and by giving back to their community. Our students received recognitions in each of those areas.
