SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Woodland Heights Elementary just completed their fourth year as an Arts in Basic Curriculum school. Less than sixty schools in SC have this recognition. The ABC site recognition came with \$7,500 in grant funds that provided many wonderful arts experiences. Each grade presented a musical drama tied to our school wide theme, "Learning to Lead." Kindergarten's program was "Character Counts With Clifford"; first grade learned about famous leaders and presented a program entitled "Leaders We Love"; second grade presented a Veteran's Day program entitled "Veterans Lead the Way"; third grade shared information about South Carolina through their program entitled "Christmas in Carolina"; fourth grade shared information about national government through "All Aboard the CitizenSHIP"; and fifth grade followed up their Barrier Island field studies with a program entitled "Warriors for the World." Students enjoyed seven arts performances at the school and attended several off-site performances. Eleven artists in residence provided musical, visual arts, drama, and dance experiences. Teachers utilized the arts in classrooms when teaching core academic subjects. Parents were invited to a Fine Arts Sneak a Peek Week where they visited classrooms and even participated in one of their child's arts experiences. Throughout the year, students participated in numerous activities that promote leadership, such as Student Council, Peer Helpers, Wildcat Cadets, and Gents and Ladies Clubs. Through our Wee C.A.R.E. (Children Are Reaching Everywhere) Program, students were able to give back to the community by sponsoring the Animal Shelter, Pennies for Pasta (children with leukemia), and the Christmas Giving Tree. Additional educational programs implemented included a full-day 4K program, Hands-On-Algebra, early morning math enrichment, reading incentive programs, in-school tutoring for grades K-5, afterschool homework assistance programs, computerized math and reading programs, and an afternoon Fitness Club for grades 3-5. An instructional afterschool and summer program partnership with a local church through a \$300,000 21st Century grant provided learning opportunities for many students.

A variety of school events allowed parents to share in their child's school experience. Some of these events were Back to School Night, Picnic on the Green, Open House, Health Fair, Sneak a Peek Weeks, Grandparents Day, and a Fine Arts Festival Week.

An active PTO provided WHES with funds to enrich learning opportunities. Through their fund raisers, the PTO purchased trade books, instructional materials, reading incentives, program supplies, playground equipment, learning games, iPods with portable sound systems, and much more! The extensive volunteer program included over 2,000 volunteer hours. Eleven teachers were awarded \$8,650.00 in EIA, Junior League, and Recycling grants. These grant funds provided students many extra learning opportunities such as science experiment supplies, field studies, reading incentives, instructional materials, projects, and guest artists and speakers. Two teachers received National Board Certification. We were also proud to have Mrs. Peggy Thigpen named Spartanburg School District Six Teacher of the Year.

By always keeping in mind our school motto, "Always for Children," the WHES faculty will continue to provide quality learning environments for all children.
