REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-2009 school year at Hickory Grove/Sharon was a very successful and exciting one. Our students and teachers worked very hard to raise our academic achievement bar.

We were able to serve a greater number of students in our Early Intervention program through our afterschool program. Also, with the addition of our Early Childhood Instructional Interventionist, quite a few of our first graders saw success by participating in our Reading Recovery program.

Technology was increased in our school with the addition of eight Promethean "smart boards." These interactive white boards helped to increase interest and participation of our students while greatly enhancing learning.

Our School made a concerted effort to increase parent and community involvement with K-2 sponsoring several breakfast meetings with parents. More volunteers were able to assist our teachers this year through reading to students in their classrooms.

Some accomplishments of the past year include:

- Our fifth grade math team placing first in the district math competition and one member having an individual first place finish.
- Our school implemented our first ever school-wide morning assembly called "Jam in the Gym." JIG is a character education-led assembly where every student assembles in the gym for a lesson before school begins.
- Our school's archery team had an individual third place finisher in the state competition and another had a top ten state placement.
- For the fourth year our PTO provided a free yearbook to all students and staff.
