SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Since 1949, Ebinport Elementary School has provided a high-quality education to the children of Rock Hill, South Carolina. Ebinport Elementary is located within the city limits and has a diverse student and staff population. Ebinport currently serves 548 students in kindergarten through grade five. The 2008-2009 school year marks the principal's second year at Ebinport.

Using MAPS, PACT, and various survey data, the school staff, PTO, and School Improvement Council combined their efforts at the beginning of the academic year to create an improvement plan in three instructional areas. Word study and analysis skills were focused on in language arts, measurement skills were focused on in mathematics, and building deep content knowledge was the focus for science. The PTO and School Improvement Council held several joint fundraisers to assist with purchasing needed manipulatives and materials for science instruction. Title 1 funds were utilized to purchase resources for math and language arts.

MAPS data collected throughout the year has shown marked improvement in achievement for students in all subgroups in math and reading. The staff and school administration expect to see similar growth in all areas as data is available for the PASS test in the fall.

Teachers refined work on curriculum maps throughout the year and improved instruction through UBD training and mastery of the Fountas and Pinnell kits and running record training. These efforts assisted with meeting growth goals for students who were underachieving as well as before school tutoring and afterschool programs. Each classroom utilized Promethean board technology to engage students with interactive lessons and Reading Recovery teachers assisted with mastery skills for below grade level readers throughout the school.

Ebinport Elementary continues to strive to create the best learning environment for our students and their families. By working together with all stakeholders, we will do whatever it takes to provide for the academic, physical, social, and emotional needs of our students.
