REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Orangeburg-Wilkinson (O-W) High School's motto "Together We Strive for Success" has guided the 2008-2009 School Year. Our students, parents, faculty, staff and community representatives have worked collaboratively to ensure continued progress at O-W. As a result, we have been successful in meeting the needs of our students and the Orangeburg community.

Our International Baccalaureate (IB) Program, which allows students to be challenged academically and globally, continues to produce students who are accepted to some of the best colleges and universities in the nation. In 2009, over 90% of IB students received college scholarships for academics. In addition, the graduating class of 2009 has garnered more than \$7 million in scholarships. We consider this to be a strong testament to the dedication of our students and staff, and we look forward to our students' future contributions to society.

We continue with outreach to our community which in turn continues to support our efforts. Our business partnerships are growing stronger each year. O-W hosted the District's required School Improvement Council (SIC) training for the school year which focused on student achievement. Our parents continue to boost our efforts through various Booster Clubs and other organizations.

At O-W, we ask our students to commit to three requests – to come to school, to be on time and to do their best. Our students have and are committing to these requests daily. With student commitment and community support, we expect to continue to succeed and to have banner years for many years. Our students won many national awards this year as well. We also had one student selected as a GATES Millennium SCHOLAR. Two Palmetto Fellows and over 30 seniors who scored 1000 or better on the SAT (Math/Critical Reading).

We love our students and our community, and we believe that it shows through our commitment and actions.

Gregory A. McCord, Principal
Priscilla T. Anderson, SIC Chairperson
