SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The McCarthy-Teszler Eagles were very active during the 2008-2009 school year. We began the year as a national winner of the Big Lots Grant for $10,000. This money was used for the design and development of our natural outdoor learning and play area, with groundbreaking early next year. The Buddy Program, implemented the previous year, continued to develop and ended up providing us with thirty-one partner classes from schools across Spartanburg County. The buddy classes participated in a multitude of activities with our students throughout the school year.

In November, our staff and students designed and decorated a “Let Your Light Shine” float, and we participated in the Spartanburg County Christmas Parade. Our students and staff thought it was the best! Our newly-formed PTSO was very actively involved in our program and sponsored Spirit Nights, a Spring Festival, and many other activities and fundraisers. Attendance incentive awards were added to our student recognition program. Our students enjoyed visits from Santa Claus, Ronald McDonald, Dr. Seuss, the Easter bunny, a magician, therapy dogs, and community helpers throughout the year.

Our music program continues to thrive, and our students had three experiences performing for large community groups. One of these performances was the Awareness Walk and Roll event sponsored by the Mayor’s Committee for People with Disabilities. We also added a Spring Arts Extravaganza to our musical performances. We are looking forward to adding a hand bell choir and performing in a community Christmas program next year.

Our vocational students enjoyed a new schedule of changing classes and a new class in woodworking. We developed and purchased instructional materials for a new science lab which will be ready for students to enjoy next year. With help from community volunteers, we added a Boy and Girl Scout troop for our middle-school-age students. Pet care, woodworking, engineering, art, citizenship, cooking, and world cultures were a few of the merit badges that our thirteen boys and nine girls earned. Our Relay for Life teams' fundraising efforts paid off with a final donation of over $3,200 towards cancer research.

We were surprised and honored to be named a Red Carpet School by the South Carolina State Department of Education in May. Our staff members strive to make each parent, child, and visitor welcome when they visit our school.

We continue to be amazed at the successes of our students and the support of the school districts and the community. We have high expectations for each and every child. McCarthy-Teszler School continues to be a positive place for students with disabilities.
