Report of Principal and School Improvement Council

The mission of Sims Jr. High School, in partnership with its citizens, is to participate in the building of a community of lifelong learners by providing challenging educational experiences in a safe, disciplined environment which will prepare our students for productive living in a diverse technological society. During the 2008-2009 school year, many efforts were made toward successfully accomplishing our goals.

Teachers continued to utilize our new subject area pacing guides aligned to SC Curriculum Standards to ensure that all students received equitable instruction at all levels. Ongoing emphasis was placed on high academic standards as we saluted 17 students as SC Junior Scholars and recognized 3 students for being named Duke TIP Scholars. We continued to show gains school-wide in Math, Science, and Social Studies. Improvements were also made in our 8th grade classes offered for high school credit. The End-of-Course test results indicate that the percentage of students passing for all three subject areas increased from May of 2008 to May of 2009. One hundred percent (100%) of these students passed the Math test, 90% passed the ELA test, and 84% passed the Physical Science test. Our 7th and 8th grade Academic Challenge Teams had very successful seasons, with both teams going undefeated in the Olde English Consortium matches. This team also advanced to the Final Four in Bill Drake's Battle of the Brains. We rededicated our efforts toward technology education and had 51% of our 8th grade keyboarding students pass the proficiency profile, which allows them to exempt keyboarding in high school. Teachers strived to integrate technology to deliver instruction through use of laptop computers, digital imaging, and Smart Boards. Students were encouraged to use technology to complete research and special projects. Parent and teacher communication through technology was also improved with emails, grade reports, and homework assignments being posted each day on our school website using OnCourse.

In an effort to maintain a positive school climate, we continued our focus on the School Improvement Grant using Positive Behavior Interventions & Support (PBIS) to recognize students for good behavior. We are extremely proud that 44% of our students completed the school year with a clean discipline record.

SJHS students were also active in the many extracurricular activities offered: Sims Singers, band, drama, volleyball, basketball, football, track, cross-country, tennis, soccer, baseball, softball, cheerleading, Beta Club, SGA, and First Priority. We realize that our students are individuals with a variety of talents and interests. As we help students to make the transition to young adulthood, we want to provide as many opportunities for success as possible. As always, our goal will be synonymous with our motto: Education today...Independence tomorrow.
