REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hickory Tavern Middle School is a rural school rich in tradition and community pride. Hickory Tavern receives outstanding support and attendance from parents and community members at all school and local events. Hickory Tavern takes pride in its civic responsibility to the community. Our students are very active in supporting community charities and events. This year we were Silver Award winners and raised \$3003 for the local Relay for Life campaign. The student council raised over \$2000 to assist needy families with our Christmas for Children program. Students participated in a Clemson-Carolina Peanut Butter/Jelly war to collect goods for the Laurens Crisis Center. Mrs. Calvo and her class baked and sold cookies to raise \$350 for the Laurens County Humane Society. Students also raised \$500 to support our own Mrs. Ward in a marathon to fight Lymphoma and Leukemia in San Francisco, California. We are very proud of our students for their efforts to help meet the needs and support the causes of others. Hickory Tavern Middle School and the community take great pride in our facility. We are very proud of our new Physical Education Gymnasium. It provides a great place for classes as well as school and community events. We are also very proud of our auditorium that is used by the school and the community for many activities. Students have a variety of activities that provide them with valuable opportunities to enhance their education. We sponsor a career fair attended by over twenty vendors. The seventh grade class travels to Barrier Island for a great educational experience. The eighth grade class travels to Earthshine for an experience in personal growth as well as team building and educational enhancement. They also visit Lander University and Piedmont Technical College to experience the educational opportunities beyond high school and to help them set future goals. Eighth grade science students continue to participate in the Bi-Lo Invention Convention while our sixth grade science students participate in the LINX competition. The Archery team offers all grades the opportunity to compete with other schools in the State Archery Tournament. Our school has won this event for the past four years. Our students also participate in the Special Olympics program. Striving to improve the educational opportunities offered to the students at Hickory Tavern Middle School continues to be a primary goal. We continue to promote and encourage reading and offer many programs to enhance reading. We implemented a Read 180 program this year and are very excited about the results. Teachers are involved in many in-service programs that provide valuable knowledge to assist them in helping students. We continue to work in the South Carolina Reading Initiative (SCRI) program and have seen much success. We look forward to a new year and believe that these programs will only enhance our educational delivery. Hickory Tavern Middle School is accredited through the Southern Association of Colleges and Schools. We use this information to review and update our mission and the vision of our school. Russell H. Scott, Principal; Carolyn Koon, SIC Chairman
