District Superintendent's Report

You are one of the reasons that Lexington County School District One continues to provide a top-quality education for all our students. Thank you for your continued support of our schools and your commitment to a progressive, high-standards educational program.

The 21st century is challenging us all. It is vitally important that we prepare our young people for life in the fast-paced, changing, global and just-more-complicated world. We believe they will be challenged as they take their place as leaders and global citizens.

To ensure that our schools provide the education our young people will need and deserve, we spent time learning exactly what they will need to know and what they will need to be able to do. With that in mind, we continued with our "Schools of the Future" planning, focusing on leadership "LexLeads," learning "LexLearns," and health/wellness/fitness "LexLives." You will hear more this year as we continue to gather input from our community.

We welcome Rocky Creek Elementary School, the first school in our five-year-long building program. We continue to work on improving student achievement, attendance, graduation rates, and SAT/ACT scores. We have, however, many reasons to celebrate. Our seniors' SAT scores exceeded both state and national SAT score averages. Our elementary and middle school students scored significantly above the state average on the Palmetto Assessment of State Standards. Our 2010 graduates received more than \$28.9 million in scholarship offers and boasted 87 Palmetto Fellows and 17 students recognized by National Merit for academic achievement. Our schools earned Red Carpet, Palmetto Gold, Palmetto Silver, Closing the Achievement Gap, and ACT/SAT Performance Improvement awards and Showcase Schools recognition. Two elementary schools received Fresh Fruit and Vegetable grants. One high school received a High Schools That Work Silver Award for Applied Learning.

Students took state championships in band, baseball, chorus, cross country, DECA, FBLA, FFA, film, golf, HOSA, journalism, rugby, SkillsUSA, and wrestling. Employees received state- and national-level awards. The professionalism of our staff has been recognized on many levels, including a Center for Educator Recruitment, Retention and Advancement Advisory Board Member, president of S.C. Association of Education Office Professionals, S.C. Association of School Administrators Alternative School Director of the Year, SCASA High School Assistant Principal of the Year, S.C. Early Childhood Association Administrator of the Year, and S.C. Outstanding HOSA Advisor of the Year.

With your help, we look forward to accomplishing even greater things in 2010–2011.

Superintendent Karen C. Woodward, Ed.D.
