** Districts with Students Like Ours are districts with Poverty Indices of no more than 5% above or below the index for this district.

NAEP*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

CHARTER SCHOOLS IN DISTRICT

School Name	Absolute Rating	Growth Rating	Adequate Yearly Progress
There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

The Dillon District One schools are committed to excellence for our students in all areas. Each of our schools has worked extremely hard to meet the needs of our students. All three schools met Annual Yearly Progress under the federal No Child Left Behind Act. Only one other community in the state accomplished this. The current report card is based on spring 2010 test scores, which have not been published as of this writing. The 2009 report card led to Lake View High School being named a Palmetto Gold winner. Lake View Elementary was named a Palmetto Silver winner. Lake View Middle School raised their report card rating from At Risk to Average, which is a large improvement. Teachers, principals, staff, and students worked together to create a successful learning climate in each school. The staff and students at these schools should be congratulated for their hard work.

Continued improvement is our goal. To meet this goal, there is an expanded emphasis on literacy. The balanced literacy model, which has been successful at the elementary school, has been expanded to the middle school. Computer-assisted instruction to help teachers with differentiating instruction has been implemented at the elementary school. To help our students meet the standards of the state, we again had an afterschool program for middle school students most in need. We also had an afterschool program at Lake View Elementary paid for by Title One Funds. The teachers and students in these programs should be commended for the extra time they spend working on academics.

Plans for new buildings and renovations move forward based on the referendum passed by the community. By the time you read this, we hope you will see the beginning of construction at our schools.

Our schools cannot succeed without the contributions of parents and community. Our students need your support in every area of their lives. Make them aware that academic achievement is the key to success in life. We thank you for all you have done and ask that you continue your support.

Stephen Laird, Superintendent
