REPORT OF SUPERINTENDENT

Lexington School District Four, Gaston-Swansea, serves approximately 3,500 students in preschool through adult education. Due to the high educational expectations of the Gaston-Swansea communities, students are served in six quality facilities that support innovative instructional programs. These instructional programs are supported by three overall goals for the district: improving student achievement, building teacher/administrator capacity, and improving school climate.

To achieve these goals, the primary focus of the Board of Trustees and administration is to promote employee quality. We believe that it is the teacher in the classroom that makes the difference in student performance and the principal in each school who provides the instructional leadership to meet our goals. Therefore, we are committed to building and sustaining professional learning teams throughout the schools and district. We are committed to hiring, developing, and retaining the very best teachers and administration to serve students in Lexington School District Four. Shaping a culture of learning that supports teachers and students drives our commitment to promote employee quality and improve student performance.
