Report of Principal and School Improvement Council

This year Mary Bramlett has focused on our school-wide theme, "A Community of Learners." We have continued to build on that theme through re-structuring our halls into a variety of communities and making our school feel more like a home. This focus has guided our decisions as we worked as a family to strengthen our MBES community.

We have experienced many successes this year. Mr. Erik Gerstenacker was named our Teacher of the Year, and Ms. Ellen Parris was named our Distinguished Reading Teacher of the Year. Our school has been honored with a \$5,000 Lowes Grant and a \$500 Limestone College Garden Grant. Our teachers have also been honored with various grants to provide needed supplies and support in their classrooms. Our teachers continue to pursue their own education to grow as teachers through masters programs and weekly Study Groups with our Instructional Coach.

Our students have had just as many successes. We now have a very active Beta Club and Student Council. Our students serve on our Student Safety Patrol, Student School Store, Bear Paw Post Office, and Morning Bear News. These are just a few examples of how our children have taken leadership roles in the day-to-day routines of our school. We are already thinking of more activities for them for next year.

Our students have had opportunities to explore and strengthen their learning through a variety of educational experiences provided at our school. We have an amazing 3K and 4K program that starts our little ones off on their learning road. We tripled our Montessori program and have two 5K Montessori classes and one first/second grade Montessori class.

All classes have focused on the individual needs of our children through differentiating instruction and by reaching out to other school personnel, as well as partnering students from Limestone College and Gaffney High School, to work in small groups as needed. Technology, hands-on math with manipulatives, lots of Thinking Maps, and weekly science lab experiments are helping lessons come to life and build personal connections with the children. Community Expos expand studies outside the classrooms as well as our Morning Bear Activities and special drama experiences incorporated into the year's schedule.

Outside the classroom, our children enjoy special partnerships with the Boys and Girls Club of the Upstate, various tutoring programs, and the Good News Club. Our local library has partnered with our school with frequent Book Mobile visits. A Fruit and Vegetable Grant has rewarded our children with healthy and interesting foods daily. Our School Improvement Council and PTO have become integral parts of our leadership model and have assisted in the planning and the implementation of such activities as the Fall Festival, field trips, and keeping us focused on the needs of our children.

We are extremely proud that we continued to maintain our achievement by meeting 12 of our 13 objectives this past year. Our children are learning and growing EVERY day! Our pledge to our parents and our community is that Mary Bramlett Elementary School will provide multiple strategies in a positive learning environment that allows all children to achieve and reach their greatest potential.
