## Report of Principal and School Improvement Council

The staff, students, and parents at McLaurin Elementary are proud of the progress we have made this year. McLaurin students continue to improve academically and the attendance rate for students has improved. McLaurin staff and students were recognized for making Adequate Yearly Progress as outlined by the No Child Left Behind Act. Among our other accomplishments are the following:

- Our teachers continued extensive staff development in math and data analysis.
- We provided after school tutoring for 85 students.
- We provided early intervention for students needing additional instruction in reading.
- McLaurin students read over 50,000 books this year.
- Our students/staff walked over 26,000 miles during our school-wide walking program.

Our staff is dedicated to providing students with a strong academic program enhanced with an equally strong focus on character. Daily communication with our parents through student agenda books is a means to keep parents informed and involved in their child's education.

McLaurin's Association of Parents (APT) and our School Improvement Council are vital to the success of McLaurin. Our APT raised funds to offer financial support for the overall program at McLaurin. Our School Improvement Council and APT focus for this year was improving student attendance, providing a new digital messaging sign to keep parents informed of important events and messages, as well as sponsoring our school-wide walking program. Weekly incentives and nine weeks celebrations for students achieving their goals were sponsored by these groups. We continue to have strong parental involvement in meetings, conferences, and other events offered at school. McLaurin is a community where expectations are high, and everyone is encouraged to be a lifelong learner.
