Report of Principal and School Improvement Council

Francis W. Bradley Elementary is located in the city of Columbia at 3032 Pinebelt Road in Richland County School District One. The school's organizational structure consists of Child Development through grade five, with a current enrollment of 384 students.

Bradley is a Professional Development School and maintains an alliance with the University of South Carolina. Professional Development is a key component in ensuring that quality instruction occurs through research-based best practices. Members of the faculty and the administration have undergone extensive training as part of the S. C. Reading Initiative, with a strong emphasis on improving reading and writing instruction. Early intervention is the key to success for our young learners. In grades CD-1, Breakthrough to Literacy is implemented to develop the skills and knowledge young learners need to become competent readers. Class size was reduced in first grade, and students who enter first grade lacking basic skills in reading receive assistance from a reading interventionist.

Other interventions across the grade levels include a daily math focus the first 25 minutes of each school day for students in grade K-5. Accelerated Reader is integrated into the reading program in grades 2-5. Additional reading and math instruction is provided through the Success Maker, which is a computer-assisted instructional program incorporated into the computer lab. Our instructional program is further enhanced through the school's technology lab, which encourages the integration of technology into the instructional program. Each classroom is equipped with at least 3 computers to be used for research and project-based instruction. Teachers plan weekly for flexible, small-group instruction for students who need assistance. Students who score below basic on PACT are provided assistance in our after-school tutorial program. Our R.E.A.C.H. tutors (retired educators) provide small group instruction during the day for students at the cusp of moving to the next level of achievement in grades 3-5.

Bradley's state-of-the-art facility was renovated in 2002 to feature a new kindergarten wing, gymnasium, science lab, music room, keyboard lab and two computer labs. The school makes use of the latest technology. Parents have high expectations of the school and support the school's motto, "Excellence in Action." An active PTA and School Improvement Council, parent volunteer programs and attendance at school-sponsored events are evidence of parent and community involvement. Over the past several years, Bradley has received numerous awards. In May 2005, Bradley renewed its status as a "Flagship School of Promise. In 2004, the school was the recipient of the Red Carpet Award, presented by the S.C. Department of Education. In March 2007, Bradley's School Improvement Council received Honorable Mention as one of the 5 finalists for the Dick and Tunky Riley Award. In March 2009, the school was the recipient of the Healthier U.S. School Challenge Gold Award. The school met Adequate Yearly Progress for the 2009-2010 school year. The school's friendly and warm environment makes it a wonderful place for students to learn and "BEE."
