REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Midland Valley Preparatory Charter School continues to work towards its goal of creating and preserving a rich educational community. The school again met Adequate Yearly Progress on the PASS , and we are extremely proud of this continued accomplishment. Our students persist in showing their accomplishments in all subject areas. They become proficient readers and writers, demonstrate competency in the understanding and application of mathematics, and demonstrate competency in the understanding of scientific reasoning. As well, they actively participate in the community and service learning projects. This year the school added a Physical Education program that focuses on the whole body and healthy living. The Midland Valley Prep's school improvement council, Executive Board, staff, parents, and community members work together so that our students can become adept learners, community leaders, and environmental stewards.
