## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Alma Elementary, where we all "REACH for the STARS!"

Our students and teachers worked diligently to make learning exciting and authentic in 2009-2010. By using the South Carolina academic standards and district curriculum, we created a school-wide long range plan resulting in innovative and motivating lessons. Teachers continue to use our wealth of resources in our Literacy Center and Math/Science Curriculum Lab. Parental participation increased. Our parents attended our Back to School Night, Parent-Teacher Conferences, Fall Festival, Title I Parenting Sessions, Awards Days, Talent Show, Field Day, and more. Parents volunteered with our Science Fair, Book Fair, and Student-Mentor Program. Parents supported our community service projects, like Relay for Life and March of Dimes.

Alma Elementary is a Communities in Schools (CIS) grant recipient. This is an after-school program designed to assist in meeting the academic, social, emotional, and physical needs of students. Our teachers and CIS counselors assist in tutoring and enrichment activities. Many guest speakers were invited by the afterschool director. Alma Elementary has been a South Carolina Reading First School for the past six years. With the K-3 reading initiative, our goal is to ensure all children read successfully by the end of the third grade. Teachers receive staff development in reading strategies and assessment. Alma Elementary was visited as a possible Response to Intervention (RtI) site for the state. Alma Elementary has been selected as a Partner School (PS) with Winthrop University. In this partnership, our faculty and staff will host year-long teacher candidate internships, where college students will learn first-hand about student learning, specials needs, and literacy development.

Technology continues to increase. Classrooms are equipped with Activboards, document cameras, LCD projectors, and wireless laptop computers. Fifth graders have personal digital assistants (PDAs) to use for word processing and voice recordings. Educational sites like Tumble Books and Bookflick can be accessed from home. We will incorporate iPods, netbooks, and flip cameras into our instructional program.

Alma Elementary is a Red Carpet School. We believe in creating a family-friendly school environment and providing excellent customer service. To tighten security and to have a record of our visitors, we have a computer program with photo capabilities.

At Alma Elementary School, education is a team effort among students, parents, school faculty, and community. You are encouraged to come and visit our school to see first-hand how parent involvement, teacher dedication, and industrious students make a successful school. You are invited to become part of our team to SHINE, as we "think, inspire, imagine, and celebrate."
