SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Latta Elementary School, a Palmetto Silver Award winner, provides an exceptional academic experience for students in grades 2-5 with a focus on reading, writing, math, science, and technology. Our data-driven curriculum offers students the opportunity to advance academically, while our safe and positive learning environment allows students to grow socially and emotionally.

Latta Elementary provides Intervention, Resource, Speech, and Gifted and Talented programs for our exceptional needs students, while our single-gender program affords our fifth grade students the opportunity to grow academically and socially with their peers. Our focus on science allows every student to experience hands-on science labs each week. In addition, every child receives small group instruction daily on student-specific areas of weakness as identified through progress monitoring using MAP (Measures of Academic Progress).

Technology is abundant at LES. Students anchor and perform on our WVIK-KID Morning News Program. A media center, testing center, and computer lab are available for research, testing, publishing, and enhancing keyboarding skills. In addition, every classroom is equipped with an interactive VISTA system (laptop, document camera, projector and SMART Board) and two LightSpeed microphones.

A dynamic and dedicated staff continues to grow instructionally through current professional development. Teachers work on and across grade levels during a common planning time sharing resources, conducting school-wide research, and attending professional development sessions.

Throughout the year, our school participates in service learning projects, such as our recent recycling program, collections for the needy, and donations to Paws and Claws. We also reach out to our community through our support of the American Heart Association and March of Dimes.

At Latta Elementary, we strive to provide a quality education for our children and create a lifelong community of learners. We are confident that by working together with our students, parents, teachers, and community members, we truly can make a difference.
