We held a school-wide Veteran's Day program that was attended by over 50 veterans and 300 community members. Our tutoring program, Pisgah Pals, continued to flourish. Pisgah Partners, our outreach business partners, provided funds to purchase supplies for our Pisgah Pals. Each classroom is equipped with an interactive whiteboard and projector. Each classroom teacher also has an Elmo document camera to use for instruction. We added two 16-station mobile laptop carts that are used throughout the school.

Our staff development opportunities focused on how to incorporate our new Math series into classroom instruction. Our Media Specialist is the Past President of the SC Association of School Librarians (SCASL). Our Curriculum Coach is a certified Ruby Payne Framework for Poverty instructor. We have a Science Lab that serves all students. Our School Improvement Council (SIC) and PTO remain very active and continue to support all academic programs within our school. Our Kindergarten teacher earned her National Board Certification during this school year.

Mt. Pisgah Elementary School is a thriving school in a loving and caring community and our students, parents, and staff are dedicated to continuing our successes.
