REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009–2010 school year was extremely busy at Midway Elementary School.

Our school currently serves 915 students and has 15 National Board Certified Teachers on staff.

Some proud moments for Midway this year include receiving the Palmetto Gold Award for the ninth consecutive year, being invited to participate in the Palmetto Gold Showcase, and receiving four teacher-instructional grants and one recycling school grant.

Our School Improvement Council initiatives included making playground improvements, sponsoring a voter registration drive, and hosting a political forum for the S.C. House of Representatives District 69 seat. Our SIC raised more than \$10,000 at our annual silent auction for playground improvements.

The MES Parent Teacher Association sponsored field studies for all grade levels, provided professional development opportunities for teachers, hosted monthly family events, and organized our annual Mustang Fest Carnival. The PTA also established our first Mustang on the Move Fitness Walk. Approximately 2,000 students, teachers, and parents participated in the walk.

A main focus for MES was extensive professional development for teachers. Differentiated instruction, common assessments, Everyday Mathematics, Writer's Workshop, and Reader's Workshop were targeted areas of study. We offered six professional book studies throughout the year.

We advanced the Partial Immersion French program to third grade. Our guidance department extended the Mentoring Program and created a Community Outreach Program for at-risk students. All grades implemented the newly adopted Everyday Mathematics curriculum. In partnership with our PTA, three academic nights included: Everyday Mathematics Night, Acting Right Behavior Strategies Night, and Internet Safety Night. In addition, MES added new technology, including document cameras, to every classroom.

Midway will face several new challenges during the 2010–2011 school year as we will have fifth-grade students for the first time in more than 10 years. As a result, we will focus on the challenges of increased enrollment on facilities. We will help new staff, continue our professional learning culture, and join forces with our administrators, staff, parents, and community to ensure that each student moves forward academically.
