Report of Principal and School Improvement Council

The 2009-2010 school year remained challenging due to the economic conditions facing our school district and community. For much of the year, Chester County had an unemployment rate over 20%. Unfortunately, our students, their families, and faculty were faced personally with economic and employment issues that had an impact upon student learning and outcomes.

At Lewisville High School, we continue to be proud of what we have accomplished with our seniors. The graduating class of 2010 had 106 graduates and received approximately \$1.5 million in scholarships. Four of our graduates received Palmetto Fellows Scholarships, and twenty-seven others received LIFE Scholarships. Fifteen of our graduates had a score of 1000 or higher in the Critical Reading and Mathematics subtests of the SAT or an ACT composite score of 22 or higher. Twenty-nine members of the graduating class successfully completed career and technical programs and are prepared to enter the workforce or attend a career or technical college.

At the end of the 2010 school year, 73% of our students passed the SC End-of-Course tests. Nearly seventy percent of our students participated in programs such as Band, Colorguard, Chorus, Art, Athletics, and JROTC. The Athletic Boosters, Band Boosters, and JROTC parents worked diligently to support these programs with fundraisers and volunteer assistance. We continued an after-school tutoring and homework center through a grant from the J. Marion Sims Foundation. Also, our ninth graders participated in a summer bridge program to orient and prepare them for success in high school. Reading across the curriculum was emphasized throughout every aspect of the school, and the use of technology in learning continued to be emphasized. Students had access to dual enrollment programs at the University of South Carolina-Lancaster, York Technical College, and Winthrop University.

One of the highlights of the school year was when our baseball team won the SC 1-A Championship. Another highlight came with the selection of the Lewisville High School Teacher of the Year as the Chester County School District Teacher of the Year.

We recognize that everything we do at Lewisville High School can impact the life of a child, and we strive to make each day one of growth and learning. Without the support of our community, which is very involved in our school, none of our accomplishments would be possible. The parents and community members—along with our faculty—have provided the guidance and encouragement that enable our students to be successful. Our young people have the potential to make this world a better place.
