SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Because faculty and staff members, students, parents, and community members worked collaboratively, South Aiken High School once again experienced a successful school year in 2009-2010.

Serving approximately 1,550 students, South Aiken offers a diverse curriculum with an emphasis on preparation for college. About 70% of our graduates pursue some type of post-secondary education. Over 15% of our graduates choose to enter the workforce or the military upon graduation. This year South Aiken offered 13 AP course and won state awards for having SAT/ACT averages above the state and national average. South Aiken was also recognized by the state as a Silver Award recipient for 'Closing the Achievement Gap.'

In addition to offerings for the college-bound portion of our student body, South Aiken offers career and technical courses in several areas, including business, marketing, broadcast journalism, and culinary arts. Our local offerings are supplemented by those available to our students through the Aiken County Career and Technology Center. Our graduating class always includes multiple students who attain occupational 'completer status' in addition to their diplomas.

Our student body participates actively in athletics and enjoys involvement in community programs. This year our NJROTC Academic team won several state competitions. Athletically, a SAHS pole vaulter won an individual state championship; the boys' and girls' soccer teams both won lower-state championships and played for the state titles; the boys' golf team finished third in the state; and the boys' tennis team played for lower-state. The baseball team won lower-state and played for the state championship as well. It was an exciting spring for South Aiken athletics.

The School Improvement Council met during the school year and provided input regarding strategic planning and parental involvement. The Council also coordinated and implemented a school beautification project for the front of the school.

Mr. G. Bryan Skipper – Principal
Mrs. Audrey Smith – School Improvement Council Chairperson
