REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The conclusion of the 2009-2010 school year provides opportunities for the administration to reflect on the accomplishments of the Midland Valley High School (MVHS) Mustangs.

Our students distinguish themselves individually and collectively in a number of ways academically, socially, and athletically. Midland Valley High School is a Palmetto Silver Award Winner for academic success and closing the achievement gap. MVHS received the Red Carpet award for providing a family friendly environment. Additionally, MVHS received the State Department of Education Preparing for Life - Summa Cum Laude Award for High Improvement on the ACT.

Academically, one hundred students were awarded the Life Scholarship, fourteen received the Palmetto Fellows, and four students passed the Pro Start Culinary Arts National Test. The NJROTC Academic Team placed second out of 64 participating units in the region. The 2009-2010 senior class received over 5.7 million dollars in scholarships and grants.

MVHS students continue to compete and excel in local, regional, state and national competitions. In athletics, three teams won a regional title, The Archery Team won the State Title, and four students were region champions in track and field. Thirteen students signed athletic scholarships. One student participated in the Shrine Bowl, and two students participated in the North/South All Star football and softball games. Two students were named to the All State football and softball teams while one student was named to the soccer team. In weight lifting, three students achieved the status of region champions. The NJROTC and band participated in many community activities. Midland Valley High School's staff and students have excelled in service to the school and community.

To accommodate student and community needs, the Media Center hours are extended. Academic assistance is offered through the "Power of I" and teachers lead tutoring during and after school. Some teachers offer online tutoring through Moodle. Several student organizations provide academic assistance to their peers. Provisions are made for students to advance their academic standing through credit recovery, virtual school opportunities, HSAP remediation classes, and dual credit with Aiken Technical College and USC-Aiken.

Collectively, the MVHS faculty belongs to over 40 professional organizations and 60% hold advanced degrees. One coach assisted with coaching in the North-South All Star game and one assisted in the Shrine Bowl.

MVHS's faculty continues to serve as mentors, facilitators of knowledge, and providers of opportunities for students to excel. Combined with the support of families and the community, our aim is to improve the quality of life in the community and prepare students to serve globally.
