REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009-2010 school term marked South Pointe's fifth year of existence, having opened in the fall of 2005 with freshmen and sophomores. Many of the principles upon which the school was founded manifested themselves in tangible ways – particularly our emphasis on students taking the most rigorous courses they were able to successfully complete and our goal of meeting students' individual academic needs.

South Pointe received the Silver Award from the State Department of Education for the school's overall performance as measured on the State Report Card. The award was in recognition of the level of growth in the graduation rate, the percentage of students passing end-of-course exams, and students' performance on the HSAP Exit Exam.

South Pointe had forty-one full-IB Diploma Seniors, the second largest number in the state of South Carolina in terms of enrollment and percentage. Thirty-two seniors took Advanced Placement (AP) exams, and eight of those are candidates for the AP Scholar award. Fourteen seniors earned a uniform GPA between 4.2 and 4.49 with a minimum of 28 credits in grades 9-12 and were designated as honor graduates, while twenty-two with a GPA of 4.5 or above received highest honors. Fourteen South Pointe seniors were inducted into the National Technical Honor Society by the district's Applied Technology Center (ATC).

The South Pointe Air Force Junior ROTC received the Distinguished Unit Award, and three seniors received service academy appointments – one each to West Point, the US Air Force Academy, and the Coast Guard Academy. South Pointe's relatively small graduating class of 279 students generated \$9.75 million in academic scholarships. The Academic Booster Club recognized 445 students for academic achievement.

The student-produced newspaper, South Pointe in the News (SPiN), earned an All-State rating by the South Carolina Scholastic Press Association and was selected as the top paper in its class in the state this year. South Pointe's yearbook, The Equestrian, received rave reviews and was submitted by the publication company for inclusion in "Ideas that Fly," a compilation of the best yearbook spreads and designs from high schools across the nation. The Visual Art Department completed a six foot by twenty-four foot mural of running horses that is displayed at the school's entrance. This mural is comprised of approximately 42,000 gumballs creating a pixilated image.

The Band of Thunder won the 1A/2A/3A Grand Championship at the Shelby Golden Classic. The Stallion Corral Concert Choir received a superior rating at the state contest in Columbia, placing fifth out of 35 4A choirs. All fifteen participants in Vocal Solo/Ensemble received superior ratings. The South Pointe Orchestra earned its third consecutive Superior rating at Concert Festival.

Thirty-seven seniors were recognized by the South Carolina High School League as Scholar Athletes, having maintained a GPA of at least 3.5 for seven semesters and having exhibited outstanding citizenship and sportsmanship.
