Report of Principal and School Improvement Council

John E. Ewing Middle School continued to focus on improvement in academic achievement, attendance, and behavior in 2009-2010. Students were challenged to come to school every day, do all their homework, maintain good behavior, and make good grades on their report cards. If they did these things, they earned pretend money, called "Ewing Eagle Bucks," each week. As a way to motivate students, they were allowed to use the "Eagle Bucks" to purchase items from the school store each morning. Single-gender classes were offered to students in the sixth grade to promote improvement in achievement and behavior. Sixth grade students also enjoyed participating in a computer program called First in Math. They correctly worked more than a million math problems through this program this year. The Guidance Department provided character education instruction in all grades. Eighth grade students visited Cherokee Technology Center to experience the different career clusters. Our eighth graders also visited local college campuses to promote higher education awareness. Many students took advantage of after-school attendance make-up, which was frequently offered. The Parent Teacher Organization/School Improvement Council played a key role by helping us offer student incentives and after-school activities, such as talent shows and student dances. Teachers continued to use data to plan instruction and assessment. More of them achieved the Highly Qualified status in middle level subjects. John E. Ewing Middle School has high expectations for continued improvement in the areas of student achievement, attendance, and behavior.
