REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

New Ellenton Middle School's faculty, staff, students, community volunteers, and mentors worked collaboratively towards achieving academic excellence this past school year. Students were provided a comprehensive, rigorous academic program in conjunction with extracurricular activities which promoted character development and team building skills.

A major focus throughout the school year was placed on the four content areas of English language arts, mathematics, science, and social studies. Additional academic support was provided through RIT Band Instruction, CAI Lab Tutorials, Saturday School, and peer tutoring. All content area teachers provided tutorial sessions before school, during their planning periods, and after school.

Our students continue to score above the district and state averages on standardized assessments in English language arts and mathematics. Evidence of academic growth is demonstrated through student performance on MAP. Our academic team was undefeated and placed first within the district. The English I and Algebra I students had a one hundred percent passing rate on their End-of-Course Tests. A student was recognized for his academic performance thorough Duke University's Talent Identification Program.

Our school's PTO and School Improvement Council jointly provide support and resources to our school. The PTO supports the school's educational program financially through fundraising. The PTO sponsors events and volunteers at many school functions. The SIC involves parents, community members, and teachers in the planning, monitoring, and evaluating of our school program to ensure continuous improvement. Both the PTO and SIC meet regularly.
