REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lake View Middle School incorporate grades five, six, and seven. We believe our entire school had a very positive, productive, and successful year 2009-2010. Lake View Middle has implemented a number of programs and activities in order to improve PASS readiness and scores. We met Average Yearly Progress (AYP) and attribute much of our success to our new Balanced Literacy Model.

Our students were involved in many activities that were of benefit to them and the community. One such service-learning project was the Pennies for Patients fundraiser. Activities were conducted to raise money for cancer research. Participating in the St. Jude Math-A-thon, students were able to improve math skills and raise money for St. Jude Hospital, which treats seriously ill children at no charge. Our Academic Challenge team participated in many competitions and made it to the regional finals.

Forty five of our 178 students were enrolled in the after-school program this year. The program provided additional instruction, which enabled students to perform better in the classroom.

Our Family Night Program was very successful. Using standards-based instruction, our students and parents completed many different projects this year. These activities and programs have helped create a positive and inviting atmosphere for the parents and students.

At Lake View Middle, we continuously strive to create a climate of academic excellence for our students: "No Excuses, Striving for Excellence."
