REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Mauldin Middle School has been in existence for eleven years. Our numerous accomplishments have been made through the conscious efforts of our teachers, students, parents, administrators and community members.

We continue to closely analyze our test scores in order to maximize our staff development strategies and increase the number of students meeting or exceeding the state standard on the Palmetto Assessment of State Standards (PASS). Our teachers are Highly Qualified as defined by the No Child Left Behind Act, and twenty of our teachers are National Board Certified Teachers. The school motto of "Expect the Best" encourages all of our students to strive for their best grades, excellent behavior and impressive attendance. Mauldin Middle School has been named a Red Carpet School twice due to our family friendly environment and outstanding customer service. We were named the South Carolina Recycling School of the Year by DHEC for our school and community based recycling efforts.

The Mauldin Mustangs, our collective athletic, academic and performing groups, continue to distinguish themselves in district, state and national competitions. In conjunction with our school PTA, each student is given multiple opportunities to enhance his or her self awareness through Beta Club, Sandlapper Club, Science Club, Student Council, Service Learning Corps, Step Team, Band, Strings, Chorus, as well as our athletic and academic teams. Our drama students capped off the academic year with an extraordinary performance of "Guys and Dolls" in April.

Our PTA, School Improvement Council, Band and Athletic Booster Clubs have joined our business partners, including Publix, Arby's, Chic-Fil-A, Panera Bread and Sam's Wholesale Club, to provide both teachers and students with additional resources and assistance in the successes we have enjoyed this year.

Our school staff worked diligently as our school and district achieved international recognition as a high quality school system when awarded National Accreditation from AdvancED Worldwide, a distinguished mark of quality for the school system, its schools, students, teachers, and community. Each staff member contributed suggestions and strategies to develop our Strategic Plan as we addressed each goal of the Greenville County Schools' Education Plan.

We are proud of what we have accomplished in each of our eleven years and we look forward to being a leader in middle school education for many years to come.

Kelly Yanity, School Improvement Council Chair
