REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In 2009-2010, our school was recognized as a Red Carpet School by the State Department of Education for providing excellent customer service. The Crayton Cavalier football team and Academic team both won District Championship titles for the second year in a row.

Crayton Middle School continues to earn many honors. One hundred percent of our students passed the End of Course math exam. Crayton had many students recognized as Middle School Scholars, South Carolina Junior Scholars, and Duke Tip recipients. Students were award-winners in the District Visual Literacy festival events, science fairs, and the State Fair art competition. Our new Stock Market Club placed 6th in the state. The Mathcounts Team continued the tradition of excellence and the Mock Trial Team continues to excel.

Crayton students and teachers are to be congratulated for the strides made in the improvement of our school climate. The continuation of Positive Behavior Intervention and Support (PBIS) provided the structure and clear expectations which allowed the Crayton community to improve overall learning environment. Students were able to participate in incentive events which helped create a closer sense of community.

Crayton continues to be an International Baccalaureate Organization IBMYP school. Crayton completed the sixth year as an International Baccalaureate Middle Years Programme (IBMYP) school. In addition, Crayton completed its second year as a Making Middle Grades Work (MMGW) site. MMGW is a comprehensive improvement framework which will assist us as we continue to strive toward our goals.

Parent and community support continues to be a significant factor in the success of Crayton. Crayton's PTO completed a Crayton Café extension where students enjoy an outdoor dining area. The PTO also sponsored the Crayton Community Cookout, gathering several hundred families to celebrate community support. Our PTO, SIC, Booster clubs, Business Partners and Faith-Based Partners provide help and support to Crayton.

The faculty and staff of Crayton are comprised of highly-qualified and dedicated individuals. The teachers work collaboratively to provide effective and engaging lessons for the students. Teachers utilize common assessments to keep expectations high on all levels. By analyzing data, including data from MAP testing, teachers are able to determine strengths and weaknesses in instruction so as to continuously make improvements. The diligence of the faculty and staff will allow Crayton to continue to provide an effective and high-quality education to every student.
