REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This was the first year for Oakridge Middle School, and a foundation for success was established. Teachers worked to make our first year at OMS such a success. They collaborated weekly to design work for their students. Work products created by the students were presented to parents and visitors throughout the school year. Students engaged in such activities as Lunch-Out, Walk With The Eagles, Field Day, Job Shadowing Day, and athletics. Several students won local and state awards throughout the school year.

The student council, Giving Back Team, and recycling club conducted many service learning projects to benefit the school and community. Teachers used technology in the classroom to excite their students. Students were involved in other activities such as robotics, academic challenge, math counts, student council, and numerous clubs. Character-education awards were given monthly and academic excellence was celebrated quarterly. The active PTSO purchased a book and agenda for every student. Items for the classroom were purchased as well, along with an OMS t-shirt for every student. Volunteers helped in every classroom, along with our mentors, to help make sure our student experienced success.

Together, parents, children, teachers, and administrators worked diligently to make OMS a community of learners and concerned contributing citizens. Although this was the first year for OMS, its contributions to the community were that of a school that has been here for years.
