District Superintendent's Report

Report of Superintendent

This year we reaffirmed our vision of excellence through our theme: "Excellence by Choice . . . Not by Chance". We have worked diligently to accomplish our goals and feel proud of the progress we have made and the plans we have in place for continuous improvement.

Academic Achievement remains our #1 goal. We focused on improving achievement by using data to guide our decisions. Teachers and staff collaborated on ways to analyze test information, incorporate technology, engage students and provide a rigorous curriculum in order to effectively teach standards at each level. Awards programs recognizing students for attendance, academic achievement and success served as an incentive and motivator for hard work and exceptional effort.

We successfully established a Teacher Forum to assist with professional development and to be a voice for teachers through meetings with district staff. Our schools are staffed with highly qualified and effective teachers. The Teacher Forum helps in providing the support needed to retain and assist them as they work with our students.

Parental Involvement plays a vital role in student success. Each year we work to increase the involvement and participation of our parents. We are fortunate to have parent groups working in our schools and equally proud of the PLUS (Parents and Leaders United for Success) Committee in sharing concerns and suggestions from all stakeholders at the district level.

"Striving for Excellence" has been the mantra of Barnwell School District #19 (Blackville-Hilda Public Schools) since 1874. We have high expectations for ourselves and our students. We firmly believe that our efforts will produce positive results. It is our goal to work collectively as a team – parents, students, staff and community – to excel and achieve academic success.

Sincerely,  
 Teresa Larke Pope  
 Superintendent
